Thurs., 7/17/25, Craftsbury Energy Committee Meeting Minutes.

1. June meeting minutes were approved.

2. Community Firewood Project - Kevin will apply for a 2025 Grant from Vt. Community Foundation & possibly VEC

3. MERP Update Balance of the original $4,000 starter MERP grant has a balance of just over $400 after paying the engineering study out of it.
Town Hall Excavation Contractor Bids - Jamie received 3 bids but needs more detail. Once bids are updated, the Select Board would like to vote on them by 7/25. Hopefully that work will be done in September.
Craig met with Steve Marckreas to find the septic tank and leach field.
A Work Day will happen Sat., 7/26, getting ready for the drainage excavation and the basement foundation cement work.
Town Hall insulation bids - Craig has met with contractors and is waiting to receive their bids.
Town Hall HVAC - Craig has sent out in the papers a Request for Proposals

4. Window Inserts
We voted to rename the WD Build name from “Craftsbury Energy Committee 2025 Community Build” to Southern Orleans County 4 Town Community Build to be more inclusive of the 4 towns involved.

5. Eff. Vt. Button Up Campaign this Fall - We decided to have a limited presence with notice to the public of online weatherization workshops that are available and possible a Saturday Recycling Center info table

Next CEC Meeting Thursday, 8/21//25
